Fifty-ninth session
Second Committee
Agenda item 44
Information and communication technologies for development

Draft resolution submitted by the Vice-Chairman of the Committee, Mr. Antonnio Bernardini (Italy), on the basis of informal consultations held on draft resolution A/C.2/59/L.18

World Summit on the Information Society

The General Assembly,

Recalling its resolutions 56/183 of 21 December 2001 and 57/238 of 20 December 2002,

Reaffirming the potential of information and communication technologies as powerful tools to foster socio-economic development and contribute to the realization of the internationally agreed development goals, including those contained in the United Nations Millennium Declaration,[1]

1. *Expresses its gratitude* to the Government of Switzerland for having hosted the first phase of the World Summit on the Information Society in Geneva from 10 to 12 December 2003 and for the support and arrangements put at the disposal of the Summit;

2. *Renews its acknowledgement* with gratitude for the generous offer of the Government of Tunisia to host the second phase of the Summit, which will take place in Tunis from 16 to 18 November 2005;

3. *Takes note* of the note by the Secretary-General transmitting the report of the Secretary-General of the International Telecommunication Union on the first phase and progress in preparation for the second phase of the World Summit on the Information Society;[2]

4. *Endorses* the Declaration of Principles and the Plan of Action adopted by the Summit on 12 December 2003,[3] and welcomes, in this regard, the strong development orientation of both documents, encourages developing and developed

countries in partnership to continue to identify how information technologies can further contribute to achieving the internationally agreed development goals, including those contained in the United Nations Millennium Declaration,[1] and stresses the importance of the effective and timely implementation of the Plan of Action;

5. *Welcomes* the contribution of Member States, relevant United Nations bodies, including the Information and Communication Technologies Task Force and other intergovernmental organizations, non-governmental organizations, civil society and the private sector to the success of the Geneva phase of the Summit;

6. *Urges* Member States, relevant United Nations bodies, including the Information and Communication Technologies Task Force and other intergovernmental organizations, non-governmental organizations, civil society and the private sector to contribute actively to the implementation of the outcome of the Geneva phase and to the preparatory process of the Tunis phase of the Summit as well as to the Summit itself in order to ensure its overall success;

7. *Takes note* of the results and decisions of the first meeting of the Preparatory Committee, held in Hammamet, Tunisia, from 24 to 26 June 2004, concerning the structure and output of the second phase of the Summit;

8. *Welcomes* the establishment of the Working Group on Internet Governance and the Task Force on Financial Mechanisms, set up in accordance with the decisions of the first phase of the Summit;

9. *Invites* countries to be represented at the highest possible political level to the second phase of the Summit, to be held in Tunis in 2005;

10. *Reiterates its call* to the international community to make voluntary contributions to the special fund established by the International Telecommunication Union to support the preparations for and holding of the Summit;

11. *Invites* the Secretary-General of the International Telecommunication Union to transmit to the General Assembly, as soon as it is available, the report of the World Summit on the Information Society.
